- Set up will be Friday: 8am to 6pm and Saturday: 7am to 8am.
- We ARE NOT open to the public on Friday.
- Tear down will begin at 3pm on Saturday. Please be mindful of our staff and make this process happen as quickly as possible. Our goal is to have the building shut down by 5pm.

## **The Rules**

- The doors are open for the public on Saturday from 8am – 3 pm. Vendors are expected to stay the duration. If you must leave due to an emergency or if you sell out, please notify staff before leaving. If you leave without notifying anyone, it will jeopardize your opportunity to come back and any registrations that you have paid will be forfeited.
- If you are not here by 8am you will jeopardize your opportunity to return to future events.
- Vendors may begin packing up early but must remain open until 3pm.
- Do not leave trash in booths. We provide a dumpster outside of the north doors for bigger trash items – (i.e. empty boxes or bulky items that you wish to leave behind) - these DO NOT belong in the trashcans or on the floor by the trashcan.
- Merchandise cannot be left or stored for any reason after load out is complete on Saturday.
- **There will be no option to drive inside the building for unloading this year. We also do not provide dollies or carts for unloading so please come prepared. We ask that you please park near the north doors to unload and promptly move your vehicle to a parking area in order for the other vendors to have close and easy access to the building to unload.**
